Project Title	AI-Based Discourse for Banking Industry

SAVINGS ACCOUNT ACTION:

The screenshot displays the IBM Watson Assistant interface for configuring a 'Savings' action. The interface is divided into several sections:

- Customer starts with:** Savings
- Conversation steps:** A list of steps for the conversation. Step 1 is highlighted, showing a question: 'Which type of savings account do you want to create?'. Below the question are two buttons: 'Kids savings ...' and 'Regular savin...'. A '+1' button is also visible.
- Assistant says:** A text area for the assistant's response. The text 'Which type of savings account do you want to create?' is entered. Below the text area are three buttons: 'Regular savings account', 'Kids savings account', and 'Zero balance savings account'. There are also 'Edit response' and 'Edit validation' buttons.
- And then:** A section for the next step, with a 'Continue to next step' button.
- Preview:** A button to preview the action.

The interface also includes a top navigation bar with 'IBM Watson Assistant', 'Upgrade', and 'ChatBot' options. The bottom status bar shows the temperature (26°C), weather (Partly cloudy), and the date (17-11-2022).
